

Pennsylvania Traveler Riding Program

This patch will be awarded to any CVMA member that meets the attendance requirement for the PA Traveler Award.

- 1) The Awardee must submit a Pa Traveler form to verify attendance at 6 of the active Chapters in the state meetings or events, not including your assigned chapter, during the calendar year (Jan 1st – December 31st). Awardees must visit 6 different chapters, visiting the same chapter on multiple occasions will only count as one visit.
- 2) Once a member is awarded earns the “PA Traveler Patch” each additional year they complete this, they will earn a year tab.
- 3) The winning Chapter will be chosen by having the highest percentage of members that complete the attendance goal and the required paperwork. Documentation must be provided to the State Representative. If there is a tie the total miles traveled for those two chapters will be the tie breaker. Calculation for Award of Trophy: Total Chapter Members Awarded / Total Chapter Membership (25 Awardees / 50 Chapter Members = 50%)
- 4) If any member transfers from one chapter to the another in the state, the gaining Chapter only gets credit for the miles ridden from the transfer date, and the gaining chapter gets the credit for the member completing the task, the previous chapter only gets the miles the member was with them prior to the transfer.
- 5) The State Representative will verify the transfer date and miles awarded to the correct chapters. All applications will be submitted NLT January 31st for the previous year. All applications received after the deadline can be awarded the patch/ year banner but may not be counted toward chapter totals.
- 6) Members may complete the requirements on a motorcycle or cage. Those miles traveled in a cage will be annotated as 0 on the registration form as they will not count toward a tie breaker. Members who have been medically exempted from the National requirement to own a motorcycle miles will count.
- 7) All members must be in good standing with their Chapter, State, Region, and National IAW those by-laws.
- 8) The now existing Traveling Trophy will be awarded to the Winning Chapter to be displayed in at their Meetings and Events as they see fit- and a Record will continue to be kept of Each year’s Winners. The trophy will be awarded at the State Rally each year.
